2009 - Five deaths as of Oct 7. HD rider off road in the Chicanes. Female HD rider off road Carosel Corner July. Female rider off road Carosel Corner August. Male rider off road mm 8.2. Male rider off road at Hump.

2008 - Four deaths.

2007 - Three deaths. One low side at Guadrail Cliff and a trike versus a vehicle claimed the lives of an older rider and his passenger. Both accidents in July.

2006 - Two deaths: One rider went off road and hit tree another low sided into an oncoming vehicle.

2005 - Three deaths: All three deaths involved failing to negotiate corners - two went off the mountain and one slid into an oncoming vehicle.

2004 - Two deaths: Both deaths apparently caused by speed and then overbraking.

2003 - No deaths: There were several deaths in the surrounding area of the Dragon, but none that we know of on the 11 miles of the Dragon itself.

2002 - Two deaths: Cruiser rider passing a car and sportbike losing control and hitting tree.

2001 - Two deaths: The entire Blount County (home of the Dragon) saw a total of four motorcycle fatalities in 2001. The total includes the deaths of a 27-year-old Knoxville man who died March 10 in a collision on Old Knoxville Highway in Rockford, the May 5th death on the Dragon, the July 5th death of a 43-year-old Maryville man in an accident on Happy Valley Road, and the October 27th death on the Dragon.

2000 - One death: Blount County had four motorcycle deaths in 2000 including one fatality on the Dragon.

1999 - One motorcycle death in 1999

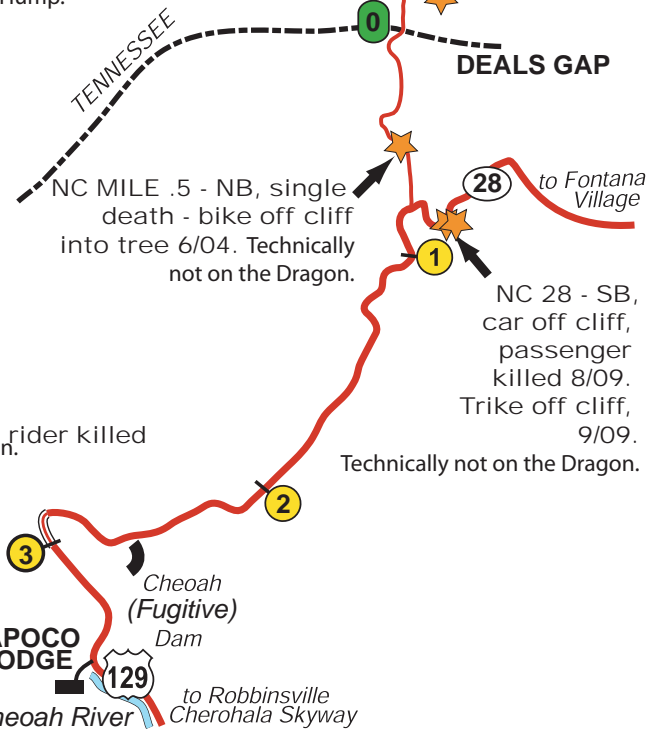

1998 - No fatal motorcycle crashes in 1998.

1997 - One motorcycle fatality in 1997.

1996 - One motorcycle fatality in 1996.

1995 - Two deaths: In 1995, two men died in separate July 3 motorcycle crashes

NOTE: TAIL OF THE DRAGON ONLY HAS SPECIFIC LOCATION INFORMATION DATING BACK TO 2000. WE WOULD APPRECIATE ANYONE WITH SPECIFIC LOCATION INFORMATION PRIOR TO THAT TO PLEASE CONTACT US SO WE CAN UPDATE THE LOCATION MAP.
